

American Red Cross
Learn - to - Swim 2010 Registration Form

\$55 per student per lesson

(Please photocopy for additional students and/or sessions)

Please Print

Student Name _____ Student Age (if under 18) _____

Address _____

City, State, Zip _____

Parent or Guardian Name _____ Day time Phone number(s) _____

E-Mail(s) to send confirmation _____

Method of payment:
\$55 per student per lesson

- Cash
 Check/Money Order
 Credit Card - Circle one: Visa, Master Card, Discover, or American Express

Credit Card Number _____ Expiration Date _____

Name as it appears on the Credit Card _____ Day time phone number of credit card holder _____

Signature of credit card holder _____

Below are my 2 choices for swimming lessons:

1st Choice:

Session Pool _____

Level Time _____

2nd Choice (alternate choice if 1st choice is not available):

Session Pool _____

Level Time _____

REFUND POLICY - A refund of your registration fee will be given if a participant is unable to attend swimming lessons due to a physical limitation or illness. **REFUNDS MUST BE REQUESTED AND PICKED UP BY 4:00 PM ON THE 1ST WEDNESDAY OF EACH SESSION OR THEY WILL BE FORFEITED.** The Red Cross will provide refunds 10:00-4:00 PM, Monday – Friday, excluding legal holidays.

Class Cancellations - We reserve the right to cancel classes due to low enrollment. Every effort will be made to place the participant in another class. You will be notified before the swim session starts if your class has been cancelled.

Weather Cancellation Policy - Lessons are **not cancelled** for cold or rainy weather. Inclement weather days are utilized to teach out-of-the-water skills and water safety for each level. When appropriate students are moved into the bath house for shelter from weather. If you are concerned with **severe** or pending **dangerous** weather listen to KFOR 1240 AM, view our website at www.CornhuskerRedCross.org or call the Red Cross at 402-441-6383 or 402-441-6390. Parents always have the right to remove their student from class if they are concerned.

Which level should you enroll your child? Check our website at www.CornhuskerRedCross.org for class requirements or see level descriptions on the last page of this flyer!

Learn - to - Swim
Class Information 2010
Registration information:

You may register online, mail-in or walk-in starting May 1, 2010. Classes are on a first-come first-served basis. Payment must be received with registration.

On-Line Registration:

Register on-line. This secure method of registering requires a VISA or Master Card. To register on-line go to www.CornhuskerRedCross.org.

Mail:

Using the Registration Form attached, please mail your registration to:

American Red Cross - Learn to Swim
PO Box 83267
Lincoln, NE 68501-3267

All mailed registrations must include check, money order, or credit card information. Confirmations and receipts will be e-mailed or sent by postal mail.

Walk-in:

You are welcome to register for swim lessons in-person starting Monday May 3, 2010. The Red Cross is open for registrations Monday - Friday 10:00 - 4:00 PM excluding major holidays. The Red Cross office is located west of the Haymarket Park/Saltdogs Stadium off of Sun Valley Blvd. Our address is:

220 Oakcreek Drive
Lincoln, NE 68528
402-441-6383

Every effort will be made to meet customers/students swimming lesson needs. Classes may be cancelled or shifted to other times to accommodate demand. Swim lessons are 30 minutes long. Please use the registration form on the other side. If you have any questions please call the Red Cross at 402-441-6383.

Scholarships:

A limited number of reduced priced classes are available for low-income families. You must provide written proof of income eligibility; 2009 IRS Federal Tax Statement or proof of loss of employment. Please contact the Red Cross if you have questions at 402-441-6383 or 402-441-6390.

The American Red Cross is proud to partner with the City of Lincoln, the Parks and Recreation Department, the Meadowlane Neighborhood Association, and other agencies and foundations interested in supporting youth and swimming lessons.

Parent and Child Aquatics-30 minutes

(An adult must accompany and stay with the child during this class)

Builds basic water safety skills for both parents and children, helping infants and young children ages 6 months to about 3 years become comfortable in the water so they are willing and ready to learn to swim. These basic skills include adjusting to the water environment, showing comfort while maintaining a front or back position in the water and demonstrating breath control, including blowing bubbles or voluntarily submerging under water.

Preschool Aquatics -30 minutes

(If your preschool child can not safely and independently stand in the water without assistance, a parent or guardian must get in the water with the child for the "Preschool Aquatic Classes")

Gives young children about ages 4 and 5 a positive, developmentally appropriate aquatic learning experience that emphasizes water safety, survival and foundational swimming concepts. Skills are age-appropriate, helping participants achieve success on a regular basis while in a class environment with their peers. Helps participants feel comfortable in the water and enjoy the water safely. Builds on skills learned, such as floating and basic locomotion.

Learn-to-Swim Levels 1 - 6: 30 minutes

Based on a logical, six-level progression that helps swimmers about 6+ years old and adults develop their water safety, survival and swimming skills. It is designed to give participants a positive learning experience)

LEVEL 1: INTRODUCTION TO WATER SKILLS Helps participants feel comfortable in the water.

• Enter and exit water using ladder, steps or side • Blow bubbles through mouth and nose • Bobbing • Open eyes under water and retrieve submerged objects • Front and back glides and back float • Recover to vertical position from a front glide and back float or glide • Roll from front to back and back to front • Tread water using arm and hand actions • Alternating and simultaneous leg actions on front and back • Alternating and simultaneous arm actions on front and back • Combined arm and leg actions on front and back • Staying safe around aquatic environments

LEVEL 2: FUNDAMENTAL AQUATIC SKILLS Gives participants success with fundamental skills.

• Enter water by stepping or jumping from the side • Exit water using ladder, steps or side • Fully submerge and hold breath • Bobbing • Open eyes under water and retrieve submerged objects • Front, jellyfish and tuck floats • Front and back glides and back float • Recover from a front and back float or glide to a vertical position • Roll from front to back and back to front • Change direction of travel while swimming on front or back • Tread water using arm and leg actions • Combined arm and leg actions on front and back • Finning arm action on back • Staying safe around aquatic environments

LEVEL 3: STROKE DEVELOPMENT Builds on the skills in Level 2 through additional guided practice in deeper waters.

• Enter water by jumping from the side • Headfirst entry from the side in sitting and kneeling positions • Bobbing while moving toward safety • Rotary breathing • Survival float • Back float • Change from vertical to horizontal position on front and back • Tread water • Push off then begin flutter and dolphin kicks on front • Front crawl and elementary backstroke • Scissors kick, staying safe in and around the water environments

LEVEL 4: STROKE IMPROVEMENT Develops confidence in the skills learned and improves other aquatic skills.

• Headfirst entry from the side in compact and stride positions • Swim under water • Feet first surface dive • Survival swimming • Front crawl and backstroke open turns • Tread water using 2 different kicks • Front and back crawl, elementary backstroke, breaststroke, sidestroke and butterfly, push off in a streamlined position then begin flutter and dolphin kicks on back • Safety

LEVEL 5: STROKE REFINEMENT Provides further coordination and refinement of strokes.

• Shallow-angle dive from the side • Shallow-angle dive from the side then glide and begin a front stroke • Tuck and pike surface dives • Front flip turn and backstroke flip turn while swimming • Tread water • Front and back crawl, elementary backstroke, breaststroke, sidestroke and butterfly • Standard scull • Safety

LEVEL 6: SWIMMING AND SKILL PROFICIENCY

Level 6 is designed with "menu" options that focus on preparing participants for lifetime fitness and safety, as well as more advanced courses, such as the Water Safety Instructor course, or other aquatic activities, including competitive swimming or diving. Options include: • Personal Water Safety • Fitness Swimmer • Fundamentals of Diving
